

BOSCH

Complete peace of mind
with the Worcester Bosch
Renewable Maintenance Plan

With the Worcester Bosch Renewable Maintenance Plan you will receive full protection for your products, with repairs by Worcester Bosch engineers.

Complete protection with Worcester Bosch

Worcester Bosch is the choice for millions of quality and value-focused homeowners. At our dedicated manufacturing plants, we have been manufacturing gas, oil and renewable systems to the highest quality levels for over 50 years.

Further peace of mind

Our Worcester Bosch renewables systems have reliability at their core. However, if you were to have any issues the Worcester Bosch Renewable Maintenance Plan goes the extra mile in protecting your Worcester Bosch renewable product and any Worcester Bosch built controls and components.

What's included in the plan?

At Worcester Bosch we know that your renewable product is at the heart of your home. With expert Worcester Bosch Service engineers working nationwide, you can relax in the knowledge that your product will be serviced and maintained to the highest standards, ensuring high-performance year after year.

With the Worcester Bosch Renewable Maintenance Plan you will receive the following benefits:

- ▶ 12 months product protection
- ▶ Genuine spares carried by engineers
- ▶ Repairs by Worcester Bosch trained engineers
- ▶ An option to pay in monthly installments
- ▶ Access to our dedicated Contact Centre, based in Worcester, 7 days a week, 364 days a year.

Your annual service will include:

- ▶ Full check of vital components
- ▶ Refrigeration leak check
- ▶ Glycol check
- ▶ System pressure check.
